**¾ yard** gray/white multi stripe binding (10203Y-08)  
**3¼ yards** black/white checkerboard backing (10201Y-99)  
**57" x 81"** batting

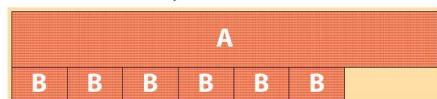

*Yardages are based on 42" of usable fabric width.*

*Cutting sizes include ¼" seam allowances.*

CUT

*We don't worry about keeping the grain of wovens perfectly straight.*

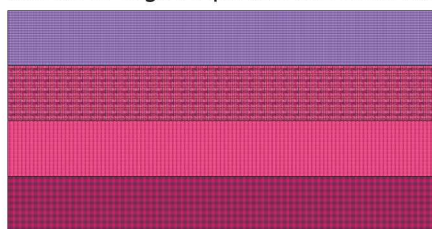

- From each of the 16—¼ yard cuts of colored fabrics, cut:  
**1**—40¼" x 5¼" **A** strip  
**6**—5¼" x 3" **B** pieces

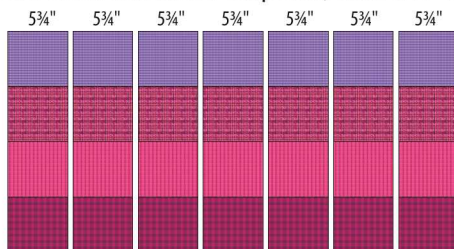

ASSEMBLE

*We recommend pressing all seams open for a flat, crisp look.*

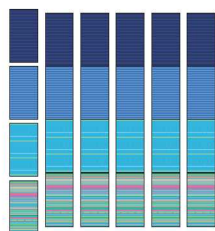

- Sew **A** strips together in sets of **4**, pinning at ends and middle to align strips. The first set is shown below.

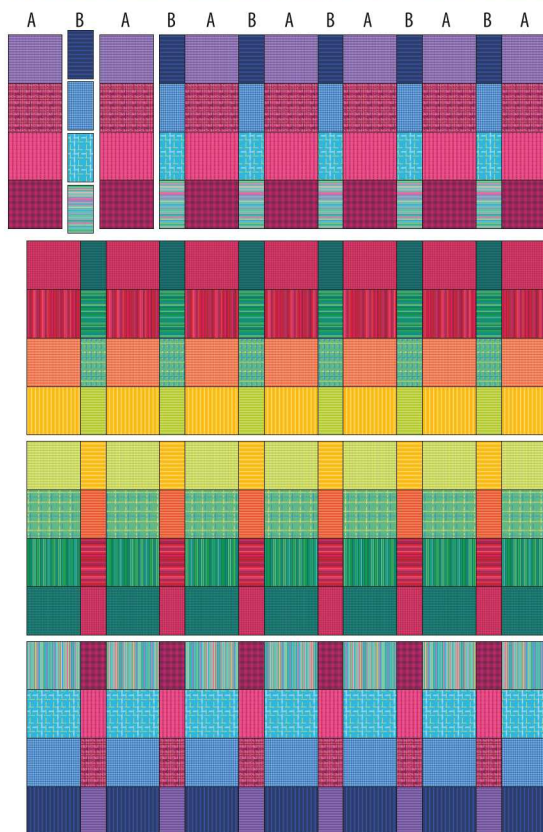

- Cut each unit into **7** strip sets, each **5¾"** wide.

- Sew **B** pieces in **6** columns with **4** pieces each. The first set is shown below.

- Sew **A** and **B** strip together, pinning to match points at seams, to make section 1 as shown in the assembly diagram. Repeat steps to make sections 2–4.
- Sew the sections together.
